Event: Another sale to US National Intelligence organization.

During yesterday's session DataWalk informed that the Company's partner received another purchase order from the US National Intelligence organization for expansion of DataWalk software license. The above-mentioned order increases the system configuration previously sold and reported on December 11, 2019.

Expected impact. *Positive – discounted during yesterday's session. Expansion of a license by the current client confirms the effectiveness and usefulness of the DataWalk platform.*

The report is not a recommendation within the meaning of Commission Delegated Regulation (EU) 2016/958 of 9 March 2016 supplementing Regulation (EU) No 596/2014 of the European Parliament and of the Council with regard to regulatory technical standards for technical arrangements for objective presentation of investment recommendations or other information recommending or suggesting an investment strategy and for disclosure of particular interests or indications of conflicts of interest.
