Event: Sale to GrabTaxi Holdings.

During Friday's session DataWalk informed that the Company's partner (Statworks Technology) received a purchase order from GrabTaxi Holdings (Singapore). Grab is the technological company that operates transportation services (similar to Uber) on the Asian market. Grab will utilize DataWalk as a next-generation system for fraud detection and intelligence analysis.

Expected impact. *Slightly positive – discounted during Friday's session. This is another commercial application/ contract for DataWalk platform.*
